

# Community Nursing Service

## What we do

Our nurses care for people in their own homes.

## We help with:

- health and social care needs
- treating and dressing wounds, including leg ulcers
- prescribing medicine
- catheter and continence care
- end of life care

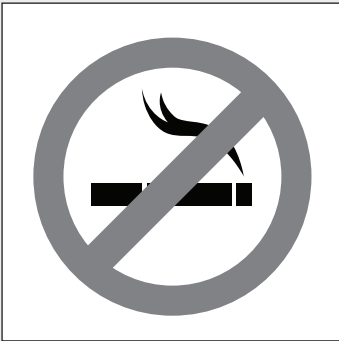

## How to use our service

If you are over the age of 18 you can contact us to use our service.

A family member, carer or your GP can do this for you as well.

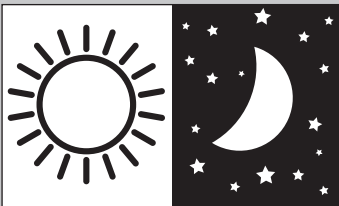

Telephone: **0151 514 2888** (switchboard)

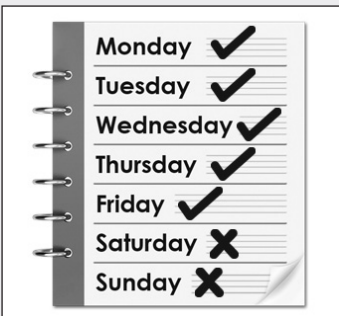

## Home visits

Please do not smoke for 1 hour before we visit.  
Please put pets in a different room.

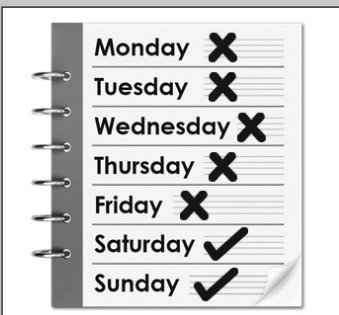

## Opening times

We are open every day and all night.
